

For households with children entering elementary or junior high school

## Guide to the Cash Gift for School Enrollment

The Shinjuku City Board of Education is providing a cash enrollment gift for children who have reached the age to enter elementary grade 1 or junior high grade 1 in the next school year.

(50,000 yen per child of age to enter elementary grade 1 and 100,000 yen per child of age to enter junior high grade 1)

You may have to take steps in order to receive the cash gift.

Guidance will be sent to eligible households on **January 24, 2024 (Wed.)**.

### Payment eligibility and procedure (flow chart)

You have a child for which (1) and (2) apply

- (1) The child was born between April 2, 2017 and April 1, 2018 (the age for entering elementary grade 1)  
The child was born between April 2, 2011 and April 1, 2012 (the age for entering junior high grade 1)
- (2) The child is recorded in the Basic Resident Register of Shinjuku City as of January 1, 2024 (cut-off date)

You have submitted information on an account for receiving the child allowance for an eligible child to Shinjuku City by the cut-off date (January 1, 2024)  
(However, this only applies if the eligible child and the person receiving the child allowance are in the same household.)

The child is not eligible.

#### No steps are required.

The transfer will be made to the account registered for the child allowance as of the cut-off date (January 1, 2024).
