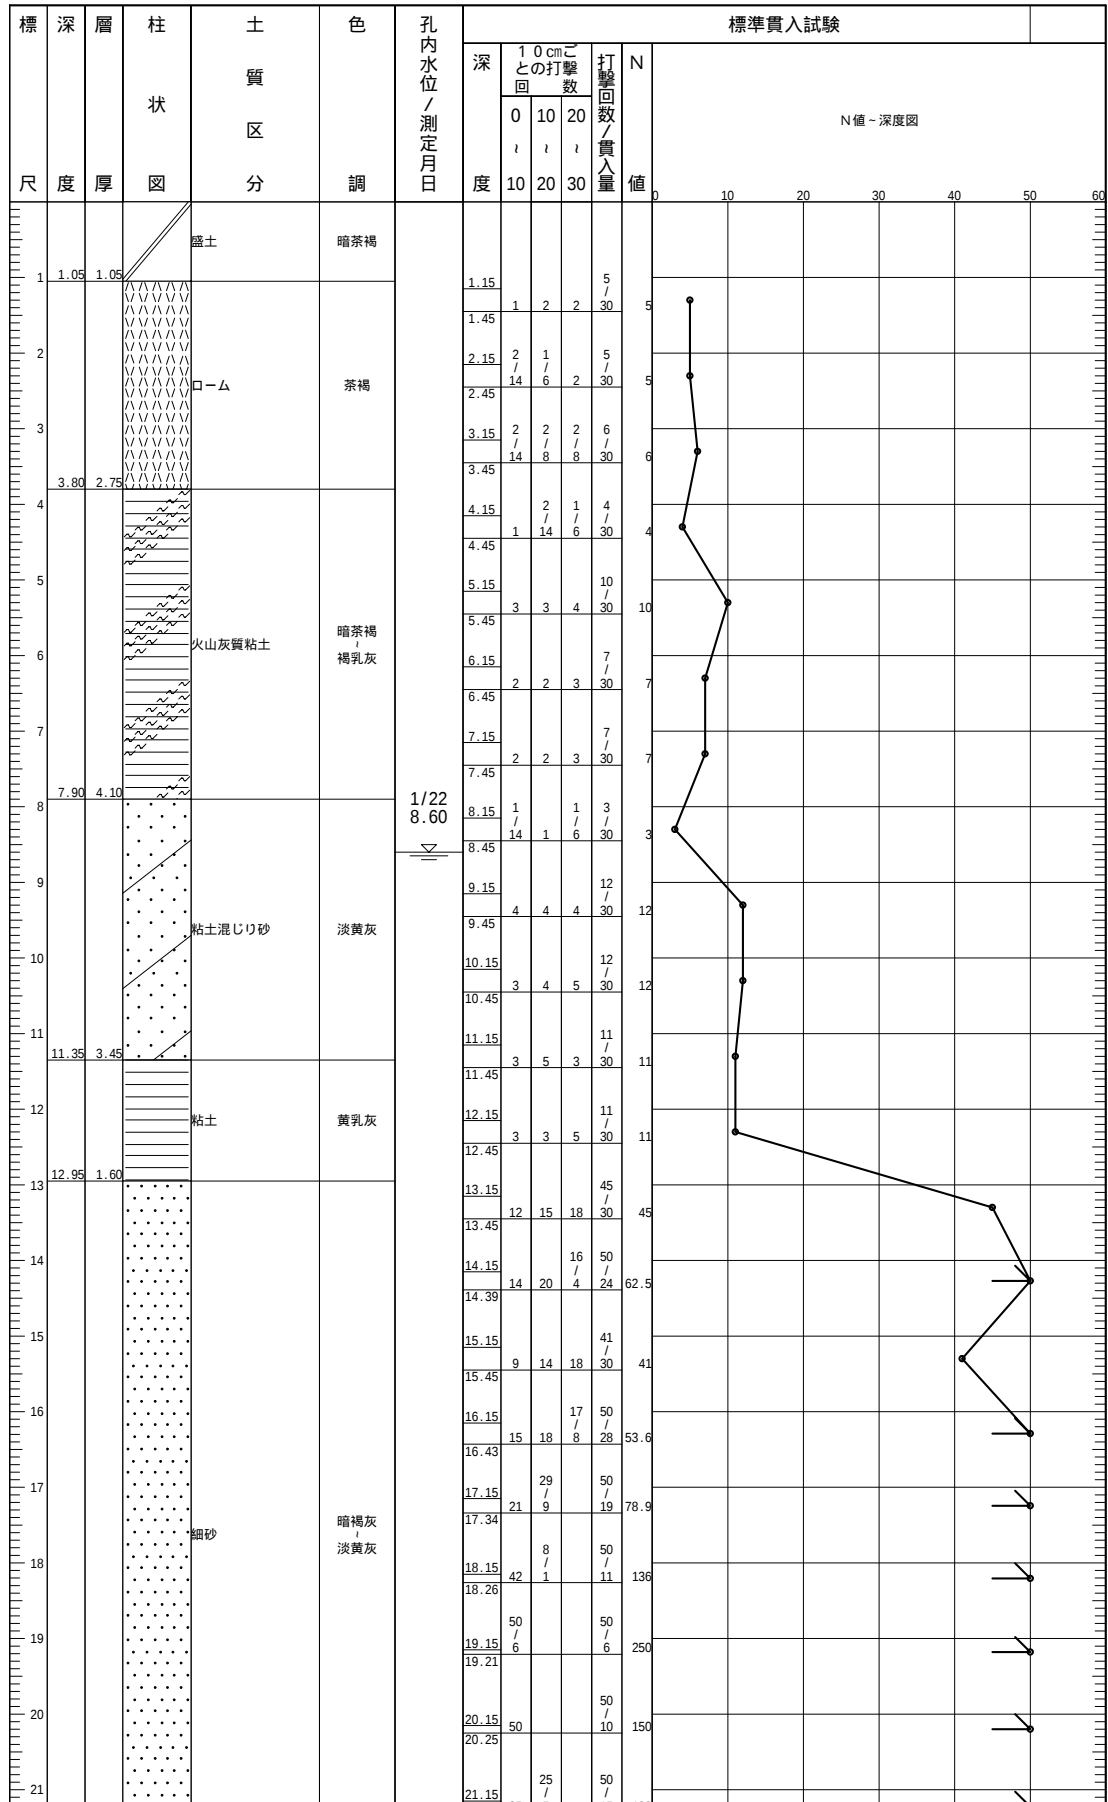

Figure 10 is a detailed architectural drawing of the upper part of the wall of the 105-002 (J 288-1) tomb. The drawing shows a section of the wall with a grid of lines. On the left, there is a vertical scale with markings for 21 and 22. The wall is divided into several rectangular panels. The top panel is filled with a pattern of small dots. Below it, there are panels with text and numbers. The text "105-002 (J 288-1) (2/2)" is written at the top right. The drawing is a technical illustration of the tomb's interior structure.
